## SIYAKHULA ELEVATORS

Welcome to our inaugural Siyakhula Elevators Newsletter. We have started this platform to share our latest projects. Please reach out to [sales@siyakhulaelevators.co.za](mailto:sales@siyakhulaelevators.co.za) if you are wanting to enquire about our numerous products, upgrades and maintenance offerings.

We have recently installed a platform lift from our Italian range in the Sandton area. We had to take out the previous lift as it was non-compliant, the lift we have installed is now fully compliant with SANS 1545-4.

### MEET THE STAFF

This month we are introducing David! David has been with us for 17 years and he is one of our best technicians. He is known for his kindness as well as his extensive knowledge when it comes to elevators. We love having him a part of our team.
