

# NEWSLETTER

We are proud to announce that Siyakhula Elevators recently completed the successful installation of an E07 elevator in the cafeteria at a local college in Heidelberg, enhancing accessibility and convenience for students, staff, and visitors. The E07 model is known for its reliable performance, energy efficiency, and sleek modern design, making it ideal for high-traffic educational environments

## MEET THE STAFF

Meet our Executive Sales Manager, Cameron, who has been an essential part of our team for nearly five years. Cameron recently completed the Lift Regulation course and successfully passed the exam, demonstrating his dedication to excellence. At Siyakhula Elevators, we truly value growth and development, and we're proud to support our employees as they continually enhance their skills.

### Did you know?

Pushing the call button repeatedly or the door close button multiple times does not affect the elevator's speed
